BRIEF ABSTRACT OF LETTER.

States that the tree tax is susceptible of further enhancement on the ground that the percentage of tree tax to rental is disproportionate, and that the Dy Commrs of Districts are also of the same opinion, but that for the present it is not desirable to raise the tax on bagani trees, the proportion referred to above in the bagani area being fairly equitable and suggests certain rates for adoption from the next official year.

NOTES AND ORDERS.

7. in reply to GO no: 3796-7/5 R.T. 13-3 8/9/2/14

1. The Excise Commr recommends that the rates of tree tax on date and cocoanut trees may be raised to Re 1-12-0 or Rs 2/- and Rs 2-12-0 or Rs 3/- respectively. No alteration is proposed in regard to the tax on bagani

trees. No proposal is made regarding the other two kinds of trees.

2 A statement containing the rates which were in force from 1-7-1907 and 1-7-1911 and those proposed to be adopted is put up. The rate of Rs 2/- on bagani trees has been in force from 1907-8. The rate on dadasal is the same in force in the Madras Presidency. As regards Palmyra, the rate has always been a little higher than that for date. Though these items are negligible from the revenue point of view, yet to make the notification complete the rates for these trees have to be mentioned.

This subject is being dealt with in another connection.

3 As the triennial lease of toddy shops in certain taluks of the State will expire by the end of the current official year, there is no objection for the introduction of the new rates from the commencement of the next official year.

OFFICE OF THE EXCISE COMMISSIONER IN MYSORE.

Bangalore, dated 16th February 1915.

FROM

V. Raghavendra Rao, Esq., B.A., B.L.,
Excise Commissioner in Mysore.

To

D.M. Narasinga Rao, Esq., B.A., B.L.,
Offg: *Secretary to the Government of*
His Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

Adverting to your letter No. Fl.4032, dated the 11th Instant, I have the honor to state that the rate of tree-tax is susceptible of further enhancement as will be seen from the details furnished in the margin.⊗

⊗	Existing rate	Proposed
Date trees	Rs. 1-8-0	Rs. 1-12-0 or Rs. 2/-
Cocoanut trees.	2-6-0	2-12-0 or Rs. 3/-

Rate prevailing in the border Districts of the Madras Presidency:-

Date trees	(a) Rs. 2-8-0	(b) Rs. 2-4-0
Cocoanut trees.	(a) 3-12-0	(b) 3-6-0

(a) Districts of Salem, Coimbatore, Chittoor and South-Arcot.

(b) Districts of Bellary, Ananthapur and Cuddappah.

2. A comparison of the figures given in Appendix G 1 to the Excise Administration Report for 1913-14 with those relating to the Madras Presidency shows that our percentage of tree-tax to the total toddy revenue is decidedly disproportionate. The figures are quoted in the margin≠ for ready reference. The Deputy Commissioners of Districts whom I have consulted in the matter are unanimously of the same opinion. I therefore request that you will be so good as to obtain the sanction of Government to the enhancement of tree-tax as from 1st July 1915.

(≠ Mysore 30.2 p.c. Madras 48.8 p.c.)

3. The percentage of tree-tax to the total toddy revenue in the Bagani area is now fairly equitable and it seems undesirable to raise it in that area, at least for the present.
